Service Centre

For friendly, personalised service, we welcome you to visit our office and showroom for any new or existing garage door inquiries you may have. We take pride in our interactive display centre which is considered one of the best in Victoria.

The interactive display centre showcases the latest range of garage doors and openers that are available on the market. This allows you to not only view the type and style of garage door you are interested in, but actually see your choice of garage door in full operation.

If you are after parts or accessories for your garage door or opener, we are sure to have exactly what you need. Our spare parts division stocks a range of spare parts, hand controllers, and accessories for all makes and models of garage doors and openers.
